

## Project Associate - MEL

### Do you need a cumulative and motivational environment?

Water, Sanitation and Hygiene Institute (WASH Institute) established during the year 2008, is a registered non-profit government technical, training, research and development organization dedicated to providing practical solutions to tackle a wide range of water, sanitation and hygiene issues in India. WASH Institute India is looking to recruit motivated personnel to share the vision of WASH Institute – “a world where all the communities have access to safe, protected and sustainable drinking water and sanitation services, with improved hygiene practices”.

### Brief about the Project

The “Skill Development in Fecal Sludge and Septage Management in India (FSSM)”, project aims to increase the number of skilled professionals in the Water, Sanitation and Hygiene sector at state, city and town levels across India and enhance access to people in safely managed disposal services through FSSM. In order to achieve this, WASH Institute proposes conducting various capacity building trainings/certificate courses on FSSM across India through classroom training/online training.
